

Examinations: Using the General Purpose Answer Sheet (GPAS- 240R)

Entering Information

Use a pencil and eraser.

You **MUST** be able to erase to correct mistakes.

Shade the circle corresponding to the answer completely and carefully:

Erase marks fully.

Crossing out an answer will result in the question being marked wrong even if you also shade in the correct answer.

Student ID number:

Enter your Student ID number in the Identification No. section.

Make sure you start at the box under 'A'

Shade the circles containing the digits of your ID number as shown.

Make sure all 8 digits of your Student ID are entered and the shaded circles line up

Print your name (**family name first**) in the spaces at the top of the name section.

Leave a space between each name.

Shade the circles containing the letters of your name as shown.

It does not matter if there is insufficient room for all your names; it's the family name that is most important.
