Information on using the Alternative Multi-purpose Answer Sheets
Read Instructions on how to complete these sheets carefully.

You may be:

- Requested to use a black or blue pen only, if you make a mistake do not use Correction tape or other white-out products.
- Allowed to use a pencil and eraser.

Please ask for assistance if you are not sure in what to do when you make a mistake.

- Shade the circle corresponding to the answer completely and carefully:

- Crossing out an answer MAY result in the question being marked wrong even if you also shade in the correct answer.
These are entered either on the Front of the answer sheet (shown):

You may be required to clearly print your name and then complete student id number as below:

1. Clearly print your Student ID in the blank boxes provided and mark the corresponding numeric value beneath.
2. Shade the circles containing the digits of your ID number as shown.
3. Make sure all 8 digits of your Student ID are entered and the shaded circles line up.
Clearly print your name (family name first) in the spaces at the top of the name section.
Leave a space between each name.
Shade the circles containing the letters of your name as shown.
It does not matter if there is insufficient room for all your names; it's the family name that is most important.

or

You may only be required to clearly print your name.

Start answering questions from #1 as shown on the answer sheet.
There may be a requirement for the answers may go onto the back of the sheet.
Should a question require a ‘True’ or ‘False’ answer the A and B cells are used.

- A is used for ‘True’
- B is used for ‘False’

- Don’t bend or fold the answer sheet
- Don’t place any additional marks on the answer sheet
